**PRE-AWARD SURVEY REQUEST****VI. REQUESTOR COMMENTS**

Serial No. S3309A7501ASU

This is a Qualified Products List plant survey IAW SD-6 and MIL-PRF-32565. These documents and a copy of the requirements are attached to this request. There will be no plant inspection of Apogee Power USA located in New York state, as that is not a production facility. Inspection of any facility located within the continental United States will be conducted by TARDEC Standardization (approving authority) personnel.

DCMA Garden City PASM Remarks - 10/4/17

As per several emails from DCMA Garden City to DCMA Pacific individuals the reviews at the Secondary and Tertiary contractor facilities will need to be completed as soon as possible prior to the completion of the primary review at Apogee Power USA. Due to this situation the suspense date at this time needs to be pushed out to 13 October 2017. I have requested DCMA Pacific keep me informed of any updates. The customer Daniel Stearns is aware of this action.

DCMA Garden City Remarks - 9/29/17

As per telecom with customer Daniel Stearns some of the the subcontractor reviews still need completion by the functional specialist and DCMA Pacific PASM. The customer is aware of this situation and based on this the DCMA Garden City PASM has extended the suspense dates out for the subcontractor reviews.

DCMA Garden City Remarks - 8/7/17

As per several emails from DCMA Pacific individuals the reviews at the Secondary and Tertiary contractor facilities will take some time due to travel requirements. Due to this situation the suspense date at this time for the secondaries needs to be pushed out as to Karemma Parkers email to 29 September 2017. Due to this situation the suspense date for the prime contractor Appogee Power USA will need to be pushed to 10/6/17. I have requested DCMA Pacific keep me informed of any updates. The customer Daniel Stearns is aware of this action.
